John Vickers
I’ve been attending St. Paul’s for over 24 years. I enjoy and regularly attend Sunday morning Bible study and Home Fellowship Bible studies. During these years I’ve had the privilege to serve here at St. Paul’s in several ministries; vestry member, youth sponsor, Crown Ministry leader and Brotherhood of Saint Andrews past president. I also enjoy bringing my family, Anne, and two teenagers, Geoffrey and Samuel, to help with Matthew 25 ministry when time allows. I first came to Shreveport as a B-52 Pilot and currently work as a Commercial Airline Pilot. I believe that our worship here at St. Paul’s is firmly based on the authority of Jesus Christ. One of my favorite Bible verses, 2 Timothy 3: 16-17, reminds us that Scripture is from God and is a profitable instruction book. Therefore, I think all our activities, both the business of the church and our worship time, need to be based on God’s Word. Today’s society thinks this a debatable idea. Although, I do enjoy a good debate, our choices need to clearly reference Scripture.

Kelly Wynn
My name is Kelly Wynn and my family and I have been members of St. Paul’s since 2007. I have been married to Josh for 12 years and we are the parents of three wonderful children, all of whom have been baptized at St. Paul’s. Jacob, a former acolyte, is a freshman accounting major at LSU. Tanner, a Day School alumnus and current acolyte, is in the 6th grade at Caddo Middle Magnet, and our baby girl Ava is two. As an academic counselor at LSU Shreveport, I spend my days advising business students to ensure they are on the path to graduation. I have very much enjoyed my time thus far at St. Paul’s and love my church family. I have volunteered in the nursery and Vacation Bible School, taught Sunday School, and served as a chaperone on two trips to Washington D.C. for the National Acolyte Festival. My vision for the church focuses on maintaining orthodox, liturgical, and sacramental traditions which are vital in establishing a spiritual identity with the deep historical roots of the church.

If you thought the game Hungry Hungry Hippos was fun, then you must try Human Hungry Hungry Hippos! It is the most hilarious game to see the youth play! Everyone was smiling ear to ear and luckily these hungry hungry hippos were able to eat some good pizza after the fun! The youth are also stretching their prayer muscles! They are anticipating the Happening weekend where they will have a chance to bare their souls to God in communion with fellow youth in the diocese. Nothing is better than our walk and talk with Christ!

Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.
